About Speech & Debate Camp

Wouldn't it be great if your children could learn more about the world, while gaining confidence and critical thinking skills?

At See Change, we adopt a highly-interactive approach to engage students to see the world with a critical eye and then to speak persuasively. Through our proprietary program and interdisciplinary approach, students will gain critical 21st century skills:

- problem solving skills
- critical thinking skills
- logical reasoning

Each lesson consists of the following, all conducted in a fun and engaging way:

- short drills targeted at specific skills and techniques, such as elocution, contention building, rebuttal and weighing
- guided mock debates
- brainstorming sessions with peers
- technical and analytical exercises

Topics of discussion include policy, technology, environmental issues, science, and history and culture, etc. Students will be empowered in academics and argumentative essay-writing, and will learn to engage with the world around them in a meaningful way.

About 3-Day Model UN Camp

Learn about global issues, build leadership skills, develop life skills in negotiation and persuasion, and collaborate with students from other schools and countries in our 3-day Model UN program!

Our Model UN Camp is a unique, engaging program that allows students to travel the world by exploring pertinent global issues. Through participation in Model UN simulations, students will be empowered to explore the world, analyze situations from various perspectives, and tackle controversial topics in [Global Health](#), [Human Rights](#), [Economics & Trade](#), [Women in Leadership](#), and [Climate Change](#), while building on persuasive communication and advanced public speaking. Since each week focuses on a different topic, students are encouraged to attend multiple camps!

Through the 3-day camp, students will:

- Learn about various topics from experienced coaches with a proven track record
- Learn how to write resolutions
- Participate in public speaking, negotiation and team-building activities
- Role-play as a delegate / diplomat during Model UN simulations

Each camp focuses on a different topic. Students are encouraged to attend multiple camps!

ANALYTICAL ENGLISH READING & WRITING

**EARLY
BIRD** | **15%**
DEADLINE: JAN 14 2022

In this course, students will delve into literature from the four corners of the world from ancient times to the present day. They will explore the mesmerizing myths of Ancient Greece, the enthralling epic poetry of Medieval England and the poignant travel writing of 17th century Japan. The course will teach them key analytical reading and writing skills such as making inferences based on existing knowledge and evidence, using descriptive writing techniques such as metaphor and alliteration and making predictions about what will happen next in a text. All these skills are crucial to developing young people who read and write with a critical mind.

Schedule: 7/2 - 9/2 (Mon - Wed)

新年演講及思辯營

對於70後，80後、90後的家長來說，從前生活簡單，小朋友學懂兩文三語已能滿足到成長需要，但隨著時間過去來到21世紀，除了兩文三語外，時代明顯都需要小朋友具備各種生活技能。

其中如何擁有思辯能力，令小朋友將來可以獨立思考以解決各種問題，在這個時代下已成為重大課題。

只是，有沒想過可以如何提升小朋友的思辯能力？

在今個假期，小朋友們可以參加我們的演講及思辯聖誕營。課程內容包括：

1. 思辯技巧理論- 演說、邏輯論證、反論
2. 思辯訓練
3. 衡量論證的說服力
4. 多角度解構事物本質

我們會有趣地教導小朋友如何放眼世界，擁有國際視野地論述自己的觀點，從而訓練其思辯能力。課程主題環繞政策、科學、環境、技術、歷史及文化等等，小朋友能透過本課程，瞭解他人的觀點和取態，從而對自己有更深刻的自省，確立自己的價值觀，明白他人。

一起來參加我們的演講及思辯課程吧！

模擬聯合國三天訓練營

在斯程教育的模擬聯合國，每名小朋友都是小領袖，代表著不同背景、價值觀、生活條件的國家決策人。他們需要和其他代表進行討論，一方面為自己的國家爭取利益，另一方面和其他國家代表進行談判，在利益、人道立場、可行性之間取得平衡，尋求和平理性的最佳方案。在為期三日的模擬聯合國訓練營裡，小朋友會：

1. 遇上模擬聯合國得獎者或會長級的導師作為啟蒙老師
2. 權衡各國間的利益和立場，建立團隊精神
3. 討論世界重大議題
4. 學懂如何進行談判、演講

專業團隊

導師團隊來自牛津、劍橋、常春藤聯盟大學及羅素大學集團，經驗豐富，值得信賴。
