A REWARDING 2021: OUR STUDENTS, OUR PRIDE

Students and schools prepped by See Change Education have won their preliminary rounds and are on their way to the finals of the Hong Kong Secondary Schools Debating Competition. We wish them every success in the coming weeks.

Two of our debate students, Harry Tam and Clarisse Poon, won outstanding student awards in the Kowloon Region and Hong Kong Island contests respectively. Both Harry and Clarisse credited their winning the coveted outstanding student awards to See Change Education's programs which helped them excel in group discussions and interviews. They say that the life skills in critical thinking and reasoning acquired through our Speech & Debate courses broadened their worldviews and strengthened their abilities to persuade.

We look forward to helping our students reach new milestones in 2022.
