SEE CHANGE STUDENT WINS OUTSTANDING STUDENTS' AWARD

At the awards presentation:

Ms. Mimi CHEUNG Yee-may, JP, Chairlady, Kowloon Region School Heads Association
Harry Tam

Mr. Kevin YEUNG Yun-hung, JP, Secretary for Education

Congratulations to Harry Tam (Ying Wa College) who recently won the Outstanding Student Award in the **13th Kowloon Region Outstanding Students' Award**.

His performance in the interview and group discussion particularly caught the attention of the judges.

Harry credits his win to the skills he acquired through See Change's Debate and Public Speaking classes which helped him stand out from the crowd. See Change is delighted to have played a role in Harry's learning journey and we cheer him on as he takes on a bigger stage.

Harry was one of the debaters selected for our public showcase at West Kowloon in July 2021, where his confidence and courage before a crowd were evident. Harry was also the winner of the See Change Debate Scholarship.
